Gerir manutenção diagram

Requirements diagram in package 'Manutenção'

Gerir manutenção

Version 1.0

Requirements created on 15/5/2018. Last modified 13/8/2018

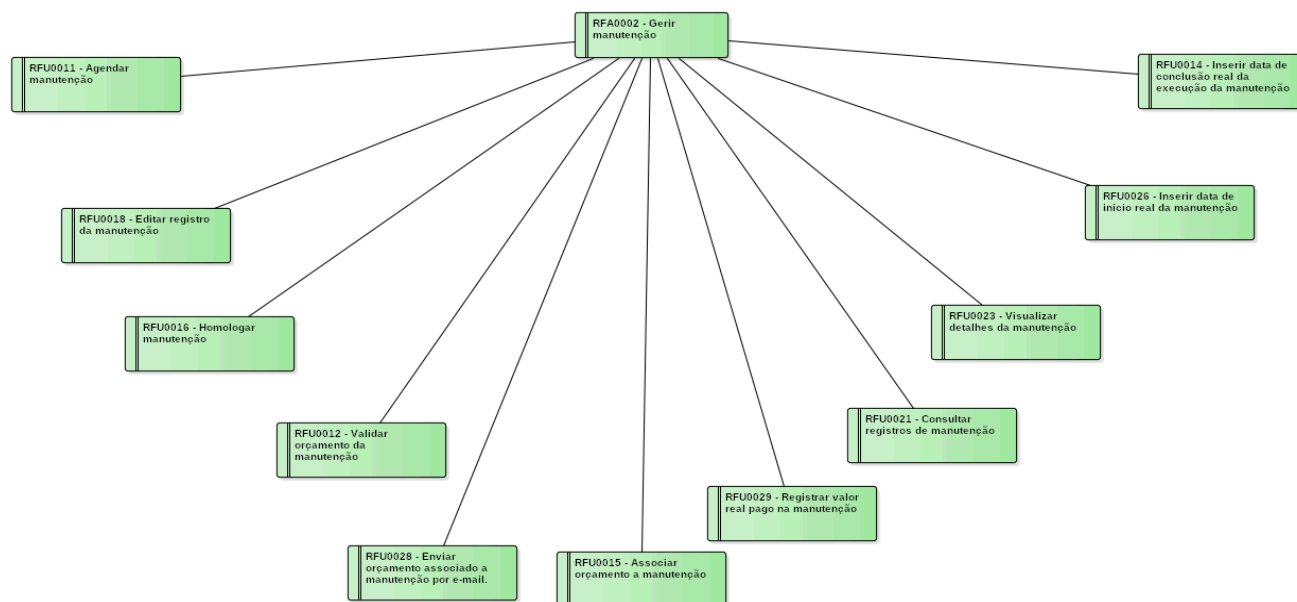

Figure 1: Gerir manutenção

Visualizar agenda de manutenções diagram

Requirements diagram in package 'Manutenção'

Visualizar agenda de manutenções

Version 1.0

Requirements created on 18/5/2018. Last modified 26/7/2018

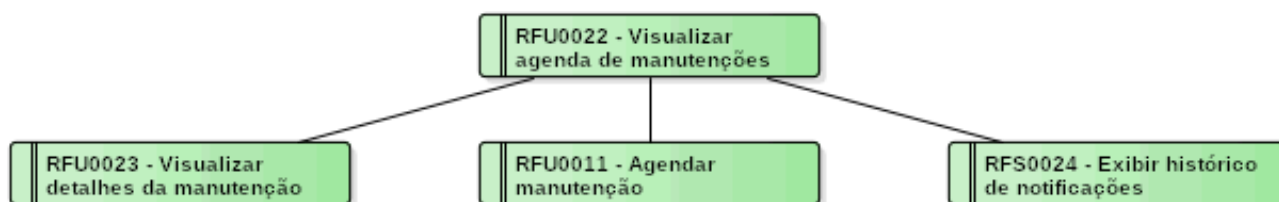

Figure 2: Visualizar agenda de manutenções

Visualizar registro de manutenção diagram

Requirements diagram in package 'Manutenção'

Visualizar registro de manutenção

Version 1.0

Requirements created on 17/5/2018. Last modified 26/7/2018

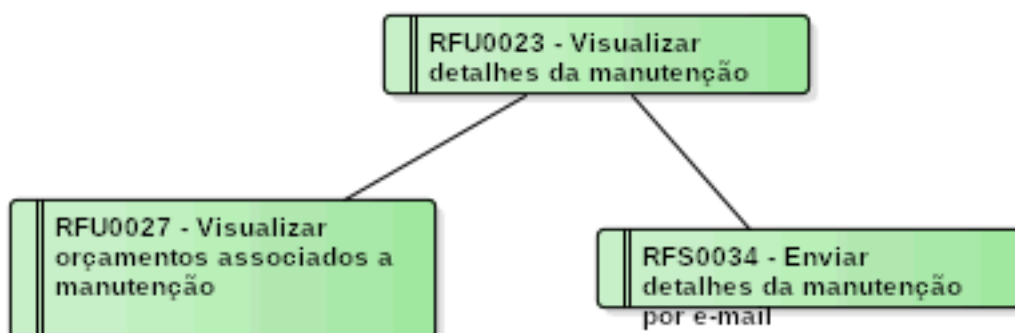

Figure 3: Visualizar registro de manutenção

Agendar manutenção diagram

Requirements diagram in package 'Manutenção'

Agendar manutenção

Version 1.0

Requirements created on 17/5/2018. Last modified 26/7/2018

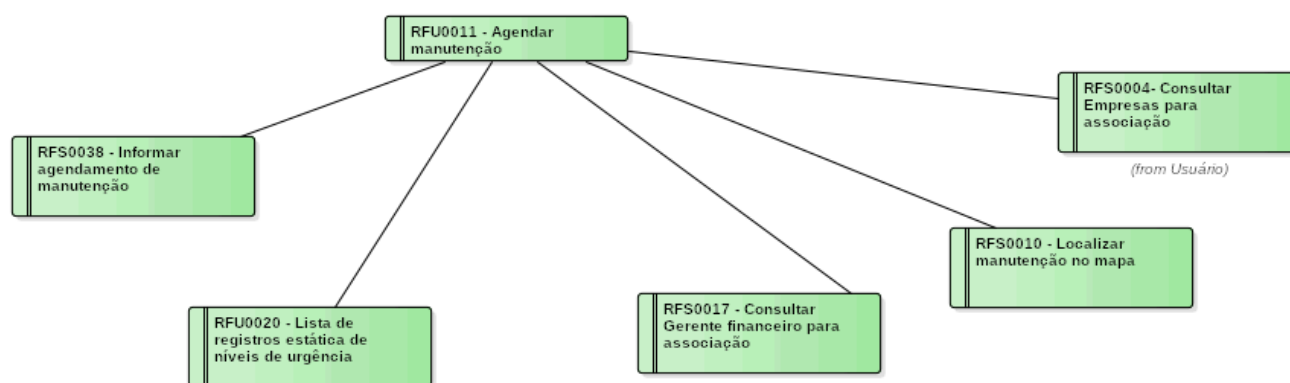

Figure 4: Agendar manutenção

Localizar da manutenção no mapa diagram

Requirements diagram in package 'Manutenção'

Localizar da manutenção no mapa

Version 1.0

Requirements created on 17/5/2018. Last modified 26/7/2018

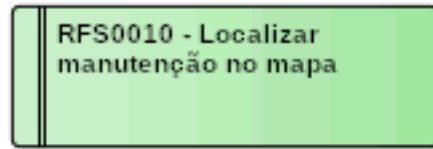

Figure 5: Localizar da manutenção no mapa

Consultar registros de manutenção diagram

Requirements diagram in package 'Manutenção'

Consultar registros de manutenção

Version 1.0

Requirements created on 20/7/2018. Last modified 26/7/2018

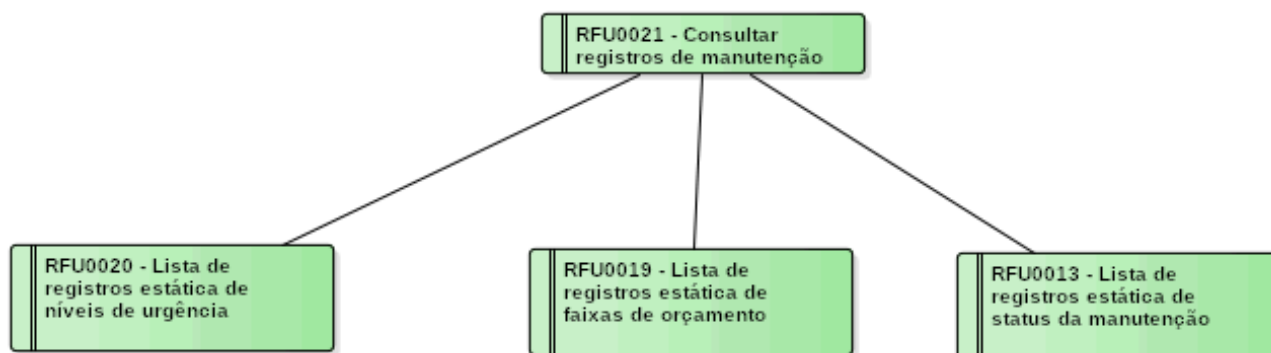

Figure 6: Consultar registros de manutenção

Associar orçamento a manutenção diagram

Requirements diagram in package 'Manutenção'

Associar orçamento a manutenção

Version 1.0

Requirements created on 22/5/2018. Last modified 9/8/2018

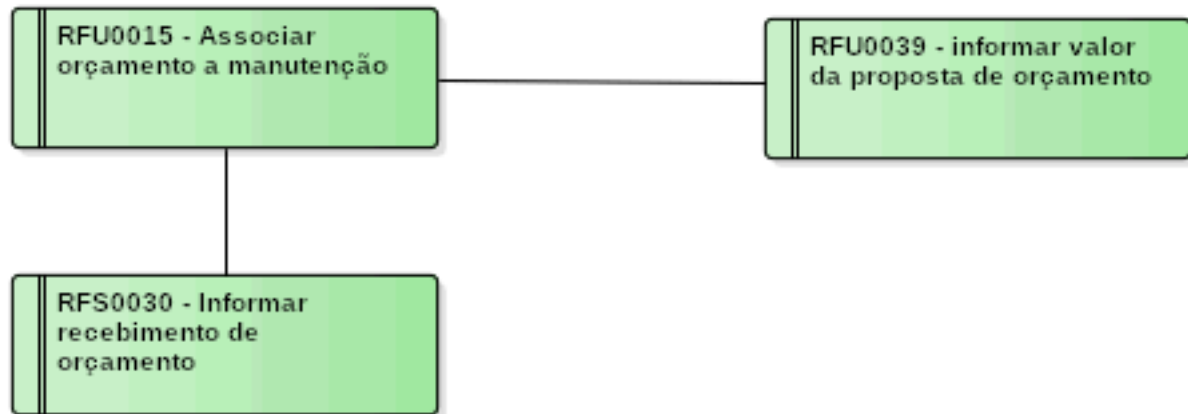

Figure 7: Associar orçamento a manutenção

Validar orçamento da manutenção diagram

Requirements diagram in package 'Manutenção'

Validar orçamento da manutenção

Version 1.0

Requirements created on 11/7/2018. Last modified 26/7/2018

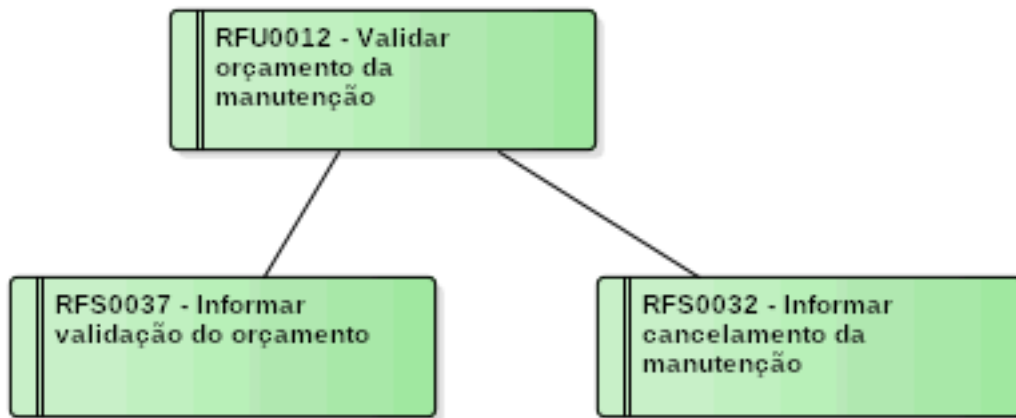

Figure 8: Validar orçamento da manutenção

Homologar manutenção diagram

Requirements diagram in package 'Manutenção'

Homologar manutenção

Version 1.0

Requirements created on 11/7/2018. Last modified 20/7/2018

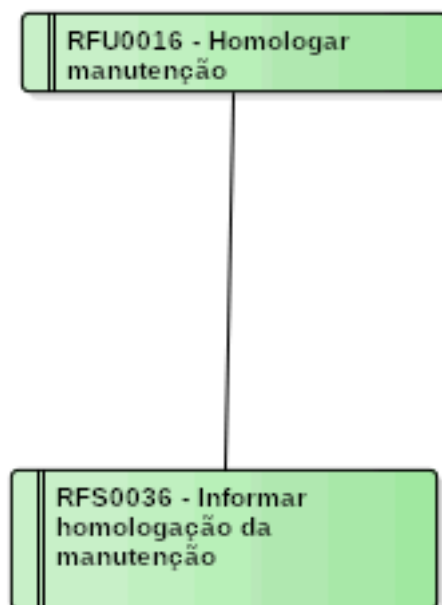

Figure 9: Homologar manutenção

Inserir data de início real de execução da manutenção diagram

Requirements diagram in package 'Manutenção'

Inserir data de início real de execução da manutenção

Version 1.0

Diagram created on 20/7/2018. Last modified 26/7/2018

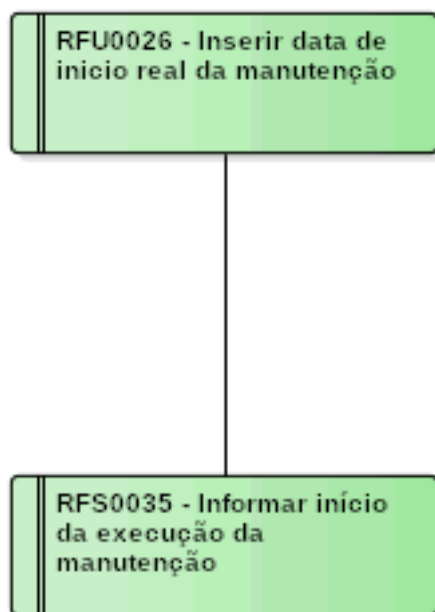

Figure 10: Inserir data de início real de execução da manutenção

Inserir data de conclusão real de execução da manutenção diagram

Requirements diagram in package 'Manutenção'

Inserir data de conclusão real de execução da manutenção

Version 1.0

diagrams created on 26/7/2018. Last modified 26/7/2018

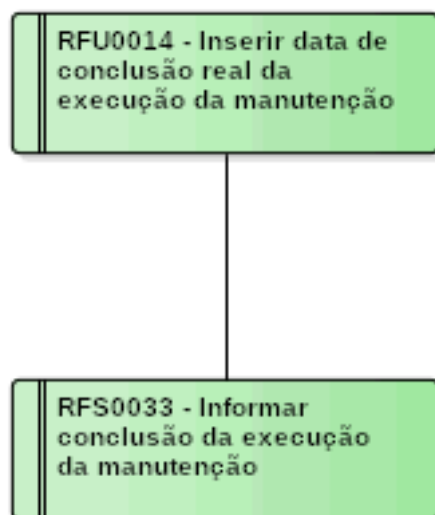

Figure 11: Inserir data de conclusão real de execução da manutenção

Registrar valor real pago na manutenção diagram

Requirements diagram in package 'Manutenção'

Registrar valor real pago na manutenção

Version 1.0

Requirements created on 20/7/2018. Last modified 27/7/2018
